

Contemplation

- Imagining with God
- Looking at something in a deeper way

What is it?

- Read your scripture
- Put yourself in the story
- Imagine each detail as vividly as you can

How?

Use the bible story suggested or pick your own. Read the story (maybe more than once). Imagine all the details as vividly as you can. Use all your senses. Can you imagine the smell, the sounds, the taste, how something might feel. If it helps draw your own picture. Record what stands out in the story for you.

EXTRA TIME: Read Daniel 7:13-14. This is a continuation of the vision we looked at on Sunday in Daniel 7: 9-10. In this vision Daniel is seeing Jesus! It's Jesus before he came to earth. How would you feel seeing that vision? What do you think Jesus looked like? Read Daniel 10:4-6. Could this be Jesus? Take some quiet time and see what pictures God wants to give you. Is it of Jesus? Is it of heaven? Is it of God himself? Write down or draw what you see. Keep it somewhere safe. Read it again in a few months. Has God revealed anything else to you?
