## Making sense of life

### Giving your child a spiritual framework.

One of the most powerful things we do is to help our children make sense of the world so they can engage well with it. We give them a framework for navigating life. They need a spiritual framework, too, so they can learn to understand the world with God's truth all over it.

#### Frame

Helping our children understand and learn how to engage with the world.

#### Explain everything

The more we frame for our children God's place in the world, the more they will learn to engage with Him everyday.

#### Share stories

Sharing how God works within when you have to make decisions or face problems.

#### Relationships in the Bible

Talk about the relationship between God and people in the Bible, so your child begins to see their own relationship with God.

#### Explore questions

1. What do you think?
2. What do we know?
3. What do we not know?
4. How did you (the parent) handle it

#### Be bold

Be bold to include spiritual dynamics in the mix of everyday life.
